design/Properties/
santana_row.asp](http://www.synergyrelo.com/design/Properties/santana_row.asp)

Experience a night of fine wines and hors d'oeuvres as Synergy pays tribute to our valued clients and guests in a three-story luxury Villa at Santana Row.

Synergy Goes Live on GDS

Booking corporate housing just got easier. Effective April 30, Synergy's extensive inventory will be available on the Global Distribution System (GDS), the world's largest electronic travel reservation resource. Through this convenient online service, travel professionals can locate and reserve our corporate housing units throughout the East Bay and Silicon Valley. Stay tuned for details or feel free to contact your sales manager.

Innovative Services Improve Your Stay

At Synergy, we're open to new ideas and feedback from clients and guests. Our long list of innovative services enhance your stay, eliminating hassle and making travel easier.

Express Check-In and Check-Out - Responding to valuable feedback from guests and clients, Synergy has simplified the check-in process by reducing lengthy paperwork to an easy single-page form. The new, comprehensive form includes check-in information, maps and directions, and lockbox instructions. Additionally, Synergy's Express Check-Out Service saves you time and worry, allowing you to leave your keys and remotes at the unit and skip the extra trip to the leasing office.

FREE DSL/High-Speed Internet Access - The first corporate housing provider to offer this service in Silicon Valley, Synergy now provides complimentary DSL/high-speed Internet access in most locations throughout Northern California.

Synergy Around the World

Synergy is working hard to make corporate travel convenient and enjoyable. That's why we've established offices in 42 markets throughout the United States, Canada, Paris and London. Beyond these locations, we've expanded our global presence to welcome clients in many other key countries worldwide.

Synergy Co-Founders Henry Luebbert and Jack Jensky join BridgeStreet Corporate Housings' Sr. VP of Sales and Marketing Jon Wohlfert and VP of Operations (U.K./France) Stephen Hanton to discuss a growth strategy for Paris, London and other international locations

New Additions

Sr. Account Executive Melinda Lau will soon be taking some time off to have her first child. Check out our next newsletter for a baby photo and update on how mom and dad are doing!

Open Houses

You're invited for food and beverages and a chance to view our new corporate housing units:
